Event Details

Job Search Work Team – Network with other LHH clients and share leads, victories, concerns and best practices. The more, the merrier, so join us! Regular attendance is encouraged to get the most out of these meetings!

Resume/Interviewing/Negotiating – You will not only be exposed to the latest in resume writing, we'll also cover all aspects of the interviewing and negotiating processes—questions to be prepared to answer, questions to ask, what to wear, what to negotiate, and preparing your negotiating script. Role playing exercises will give you the opportunity to practice your interviewing and negotiating skills. A great starting point for your job search.

Maximize LinkedIn – You know you need a presence on LinkedIn but have no idea how to start. Or maybe you have a profile but are not sure that you are using it to its full potential. This session will focus on maximizing LinkedIn and making it really work for you.

Job Search Strategy – Networking is not big crowds and loud voices nor cold calling strangers. Come learn how to lead an information gathering agenda and how to communicate with hiring managers. Also, learn the importance of targeting companies and how to develop a plan to market yourself.
