Networking Roundtable – Network with other LHH clients and share leads, victories, concerns and best practices. The more, the merrier, so join us! Regular attendance is encouraged to get the most out of these meetings!

Self-Assessment and Personal Branding – When you're conducting a job search, you're out there selling yourself, right? This workshop will help you define exactly what the product is! We'll also discuss ways to communicate your unique "value add" and distinguish yourself from the competition through your sense of authority, online identity, and personal style. We'll look at some of the more common social media tools, explore how to manage your identity, and discuss ways to make a favorable impression in the virtual world before you even officially communicate with employers.

LinkedIn Intensive – You know you need a presence on LinkedIn, but have no idea how to start. Or maybe you have a profile there, but are not sure that you are using it to its full potential. This session will focus on maximizing LinkedIn and making it really work for you.

Job Search and the Emotional Roller Coaster – At some point, almost everyone has had it with the frustrations of the job search process. In this mini-session, we'll discuss strategies to help cope with the emotional ups and downs that come with the territory and techniques to handle stress.

Super-Charge Your Search – This session focuses on the tips, tricks, and strategies you can use to make your search efforts as powerful as possible. We will focus on topics such as using social media, networking, creating a marketing plan, working with recruiters, and uncovering leads.

Interviewing and Negotiating Skills – In this session, we'll cover all aspects of the interviewing and negotiating processes—questions to be prepared to answer, questions to ask, what to wear, what to negotiate, and preparing your negotiating script. Role playing exercises will give you the opportunity to practice your interviewing and negotiating skills.
