Event Details

Job Search Work Team – Network with other LHH clients and share leads, victories, concerns, and best practices. The more, the merrier, so join us! Regular attendance is encouraged to get the most out of these meetings and a subject matter is shared and discussed as well.

Resume/Interviewing – You will not only be exposed to the latest in resume writing, we will also cover all aspects of the interviewing process—questions to be prepared to answer, questions to ask. A great starting point for your job search.

Maximize LinkedIn – You know you need a presence on LinkedIn but have no idea how to start. Or maybe you have a profile but are not sure that you are using it to its full potential. This session will focus on maximizing LinkedIn and making it really work for you.

Remote Work Interviewing – This is a new workshop addressing the realities of today's virtual world. As companies are shifting to virtual work and interviewing decisions are being made on Zoom-type platforms, candidates need to be prepared for this new set of circumstances. Join us for a sharing session to discuss the new questions impacting the 'virtual' job search world.

Non-Profit – Please visit with your consultant to learn how to connect with non-profits for FT, PT, or volunteer opportunities.

LHH National VCF – October JobFest – This is a national virtual networking event and career fair. You will have the opportunity to meet hiring managers who are looking to fill open positions. Register through the Learning Center in the Career Resource Network.

All events are conducted through the Zoom platform.

The invitation to register for each event will be sent out to all clients 2-3 days prior to each event.
